

Meeting Module

Names: Jessica, Gabriele, Luis, Alain
Topic(s): Morphology chart
Date: 9/25/26

Was there a final file made Y/N: Y

Where was it uploaded (GITHUB/DRIVE): GITHUB

What did you do in the meeting?

In this meeting we listed the features to include in the project to maximize the probability of success for our requirements. This is only a list of features and not morphological decisions were made. The next step will be to research about each feature.
